MONEY ADVICE & BUDGETING SERVICE

The Money Advice & Budgeting Service is a free, independent, confidential and non-judgmental money advice and budgeting service for all members of the public. MABS primarily works with people experiencing over-indebtedness. MABS Money Advisers work with clients who may have difficulties with a wide range of personal debts including personal loans, mortgages, credit card debt, catalogue debts, debts to legal moneylenders and hire purchases. Money Advisers assist clients by reviewing budgets, negotiate with creditors and look at opportunities to maximise income. MABS may support clients for a short term to repay creditors through a debt management facility known as a Special Account.

MABS Money Advisers also act as Approved Intermediaries under Personal Insolvency legislation for clients availing of a Debt Relief Notice. MABS has always dealt with mortgage and housing related debt and this is treated as a priority debt in MABS. MABS has an additional panel of over 30 Dedicated Mortgage Arrears Advisers to work with clients on their mortgage arrears issues.

MABS acts as the gateway to advice under the Abhaile scheme, which provides vouchers for clients to see Personal Insolvency Practitioners, Legal or Financial advisers. In addition, MABS supports clients at all of the repossession court sittings in the country as Court Mentors.

MABS has a remit in Money Management Education by advising clients in relation to budgeting and debt management and facilitating group talks in schools and the community in relation to money management, good saving and spending habits, sources of credit and the avoidance of over-indebtedness.
