

Contacting MABS

The Money Advice and Budgeting Service (MABS) is the only free independent and confidential Service for people who are in debt or at risk of getting into debt.

The MABS Website, www.mabs.ie

Information and advice on all aspects of money management and dealing with debt is available on the MABS website www.mabs.ie. Specific information on all aspects of housing debt (rent and mortgage arrears) is available on www.keepingyourhome.ie

MABS Helpline 0761 07 2000

Information and immediate support on all aspects of money management and personal debt is available from the MABS Helpline. Callers can talk, in confidence, to a trained MABS Helpline Adviser on ¹0761 07 2000 (Monday to Friday 9am to 8pm.). The MABS Helpline can also provide free self-help materials tailored to the caller's particular situation. With the caller's consent, MABS Helpline Advisers can also 'call-back' to provide callers with additional support with budgeting, preparing a financial statement, or making contact with their creditors. In many cases the MABS Helpline can provide the help and support people need to start to address their financial situation. However, if a caller needs to avail of the 'face-to-face' service provided by a MABS Money Adviser, they will be directed to a local MABS office.

'Face-to-face' support – 51 MABS Services Nationwide

There are 51 MABS Services operating from offices and outreach clinics nationwide (details of all offices below and also available on the MABS website www.mabs.ie). Where needed, MABS staff can work with clients to develop a budget and a standard financial statement that can be sent to creditors. MABS works with clients in a holistic way to develop realistic and sustainable debt repayment plans and, where necessary and with the client's consent, MABS can negotiate with creditors directly.

Urgent cases

Any client with an urgent financial problem (such as a threatened disconnection, legal proceedings for repossession, a threatened eviction, etc.) should contact the local MABS office directly and should explain their situation clearly. MABS will assess the situation and always endeavours to prioritise urgent cases.

Making an appointment with a local MABS

MABS operate an appointment scheduling system and this means that in some cases clients may have to wait a number of weeks for the next available appointment (see below). While waiting for an appointment clients can use MABS free self-help materials to take holding action and to begin the process of assessing their situation. The MABS Helpline can also support clients while they are awaiting their first appointment with a MABS Money Adviser.

¹ For the cost of a local call, call costs from mobiles may vary, however the MABS Helpline will call mobile callers back, if callers are concerned about the cost of the call.
